

Next2Met

Interreg Europe

Increasing
Attractiveness of
Next-to-Metropolitan
Regions with
Soft Digitalisation
Measures

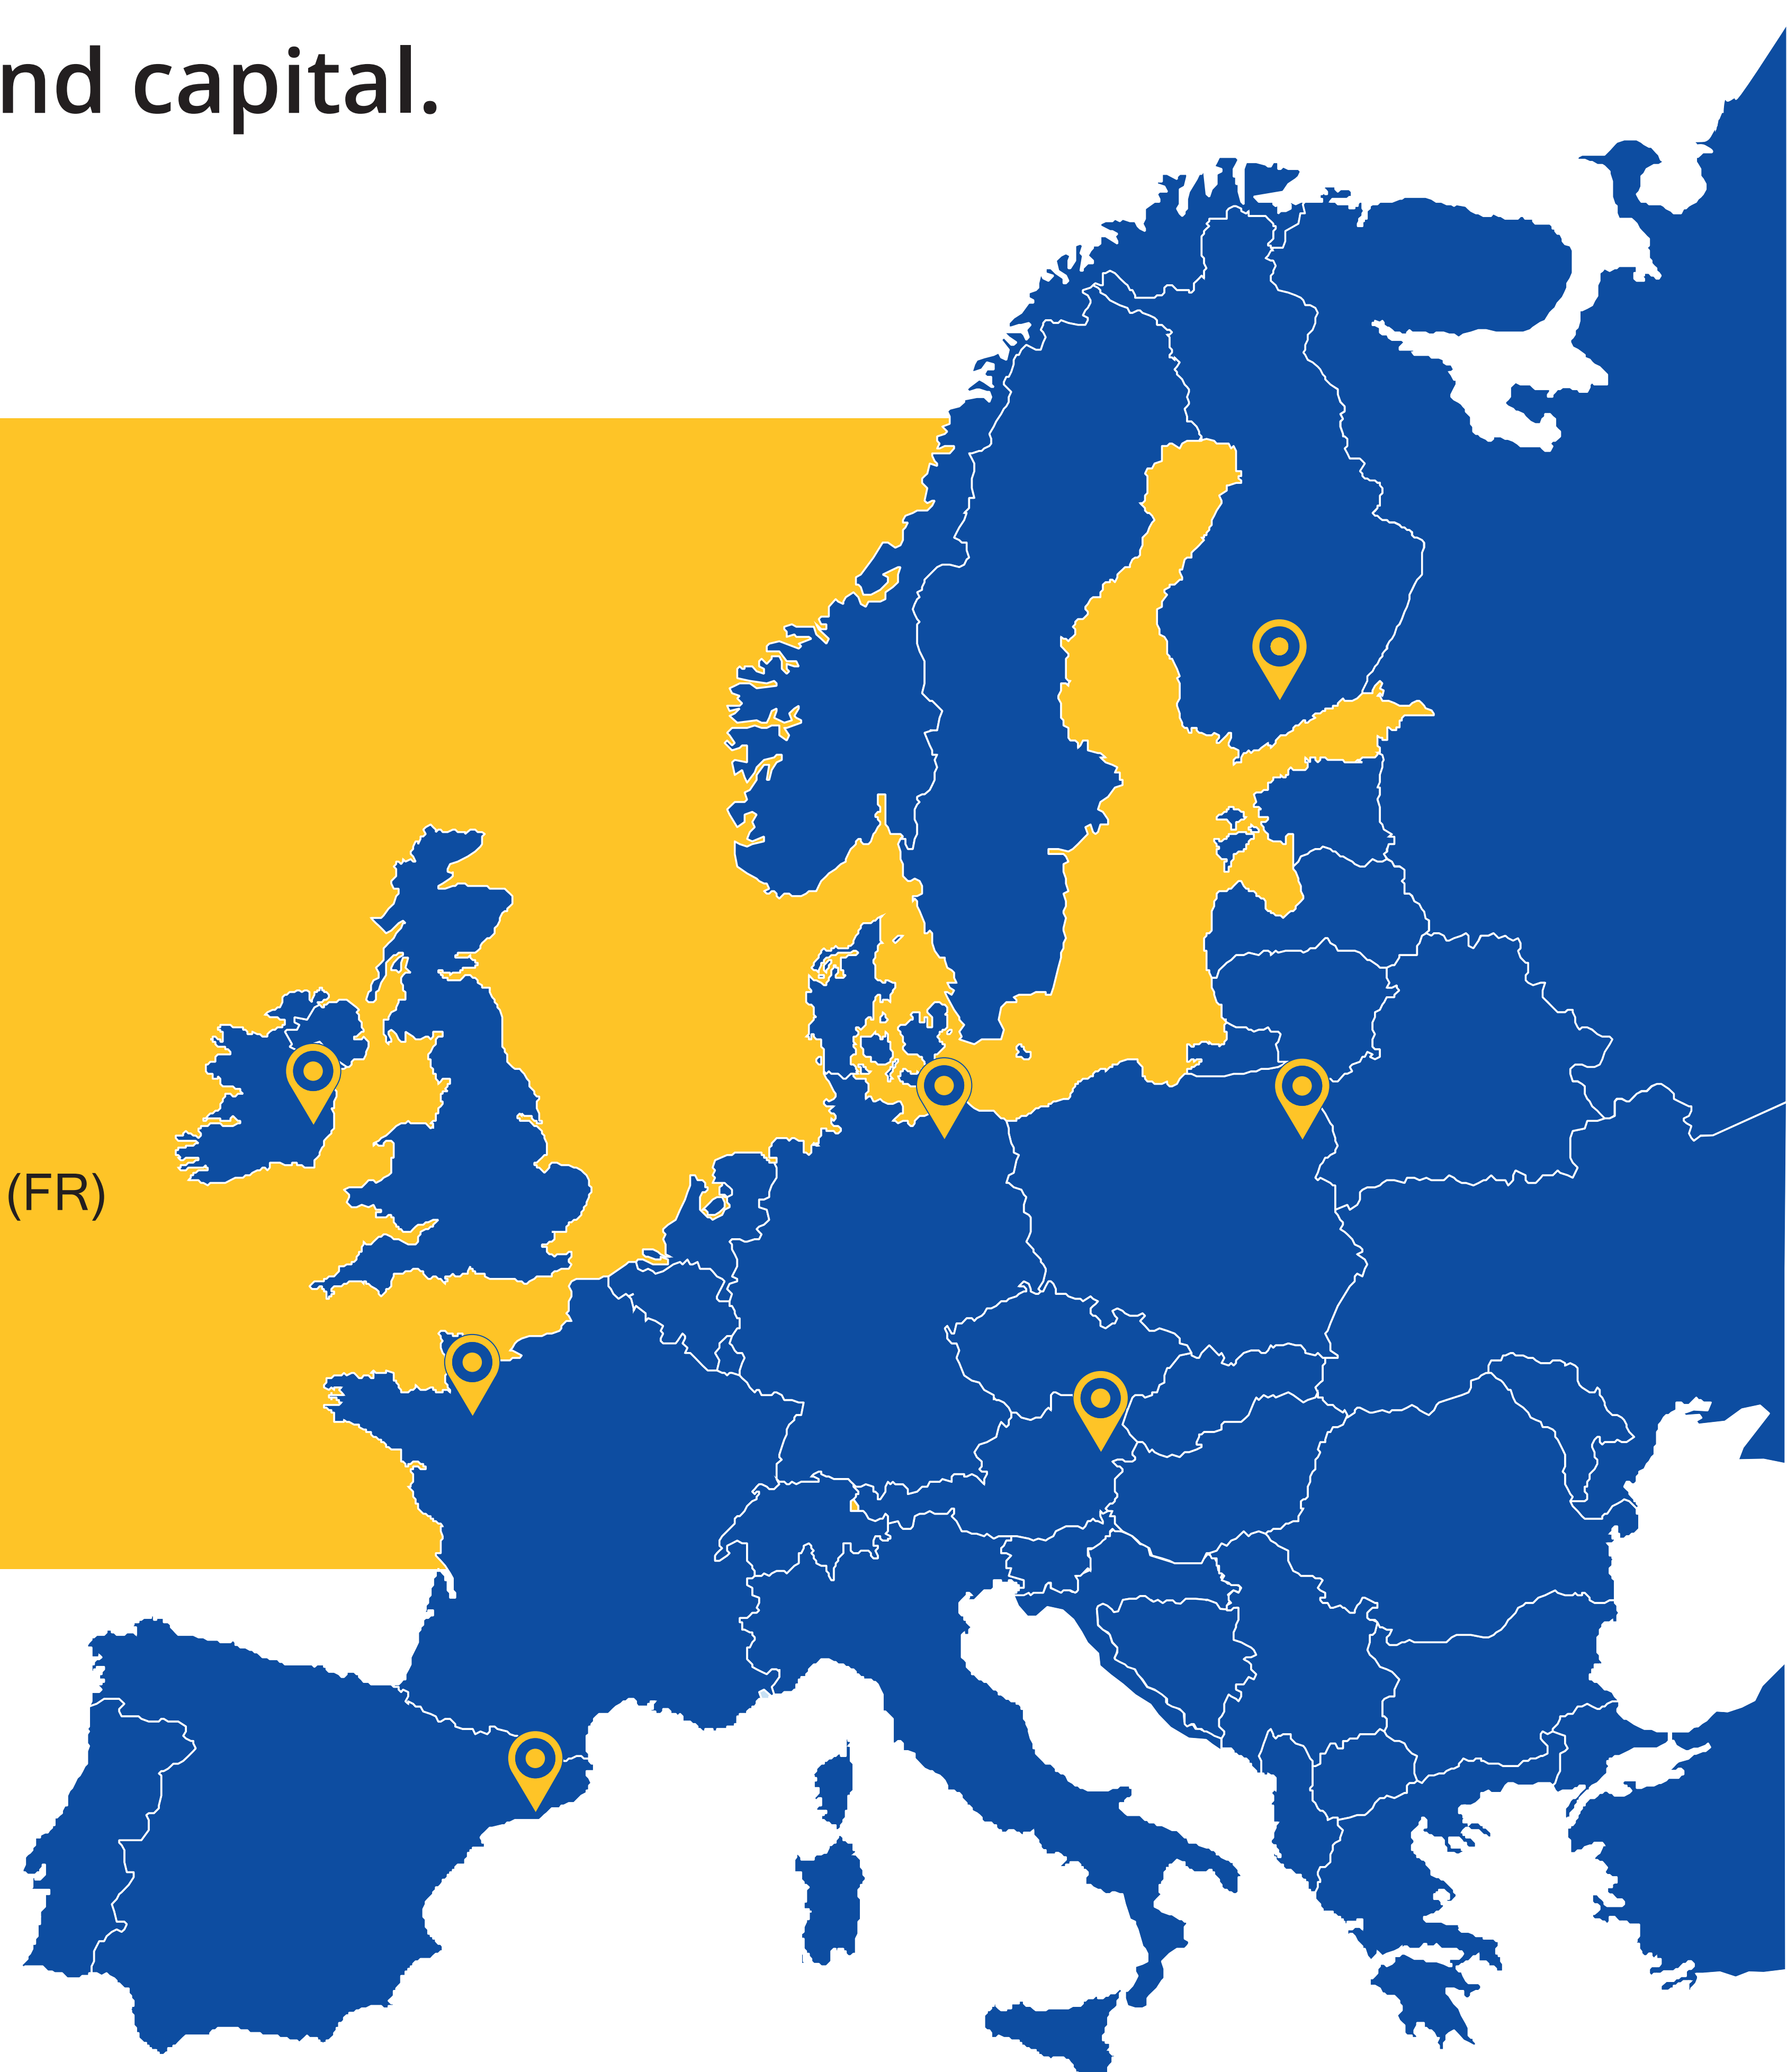

An interregional cooperation project for improving
innovation delivery policies

By focusing on the strengths of territories surrounding metropolitan areas, Next2Met aims to overcome the current bottlenecks to attracting and retaining knowledge, people and capital.

Project Partners

-  Regional Council of Päijät-Häme (FI)
-  ecoplus. The Business Agency of Lower Austria (AT)
-  WITENO GmbH (DE)
-  Barcelona Provincial Council (ES)
-  Conference of Peripheral Maritime Regions of Europe (CPMR) (FR)
-  Eastern and Midland Regional Assembly (IE)
-  Podlaskie Voivodship (PL)
